Information Bulletin No. 2

eajsc24.ltuaquatics.com

Dear European Aquatics Family,

It gives me great pleasure to introduce this Information Bulletin, which contains useful practical information to help you organise your participation at the 2024 European Aquatics Junior Swimming Championships, which take place in Vilnius, Lithuania from 2-7 July 2024.

Vilnius, one of the jewels of the Baltic for its historic architecture and culture, is also known as a sports' loving city. Olympic champions in swimming Lina Kačiušytė and Robertas Žulpa are both from Vilnius, while the city boasts many public swimming pools including the Lazdynai Swimming Pool where this event takes place.

The 6 days of the European Juniors will allow Europe's most talented young swimmers to perform at their top level in front of appreciative fans. The first swimming competition was organised in Lithuania exactly 100 years ago, when the federation was first set up, so it is fitting that we are now visiting with an event that highlights our sport's great future.

In Lithuania swimming is treated as a sport of high strategic importance both for grass roots and elite participation.

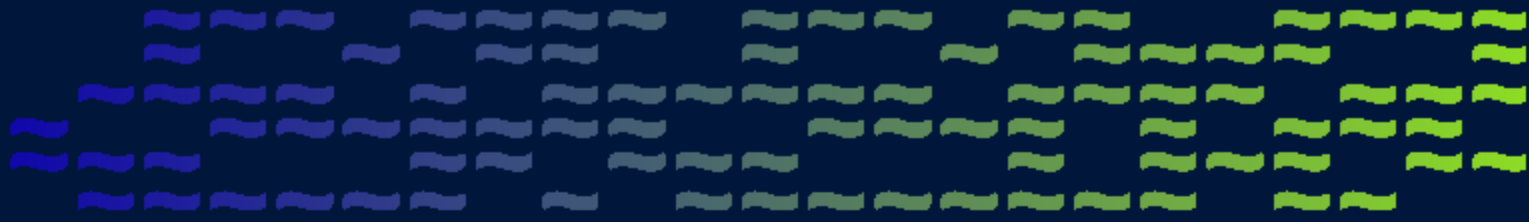

I would like to warmly thank our friends at LTU Aquatics for all the efforts they are making to organise what I am confident will be a top event. You will find in this bulletin, all the key facts and information to allow you to plan and organise your participation.

It remains for me to also thank the Lithuanian authorities, the sponsor partners and all the volunteers, without whose support our competitions could not happen.

Finally, it's important to note that this is the first year of the implementation of the European Aquatics Strategic Plan 2024-2030, and a key part of this work will be to launch specific strategies for each of the aquatic disciplines. Thank you for your attention and I look forward to seeing you in Vilnius.

Antonio SILVA
President of European Aquatics

Dear Friends,

We are delighted and proud to have a privilege to organize the 50th European Aquatics Junior Swimming Championships in Vilnius, Lithuania. Since 1924, when Lithuania hosted its first official swimming competitions, many of our country's swimming stars have illuminated the sport, spreading the name of our country far beyond its borders. Now, it is time for the most promising young swimmers from all over Europe to converge at this prestigious event, marking its inaugural occurrence in Lithuania.

We extend our heartfelt gratitude to our partners, the Vilnius municipality, and the Lithuanian Sports Agency, for their unwavering support and dedication to this event. Together, we believe we will create lasting memories.

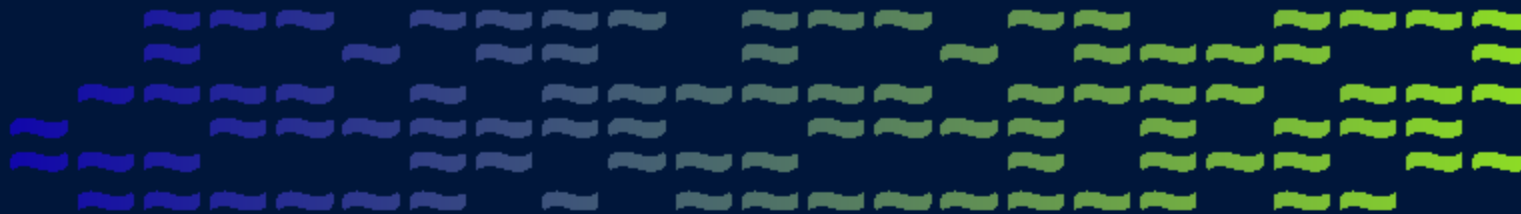

The European Aquatics Junior Swimming Championships represent a significant opportunity for Lithuania to uphold its century-old tradition of swimming and to inspire the emergence of new champions from the young generation.

As we welcome athletes, coaches, officials, and spectators to Vilnius, we embrace the spirit of camaraderie, competition, and sportsmanship that unites us all.

Together, let us celebrate the power of sport to transcend boundaries and foster mutual respect and understanding.

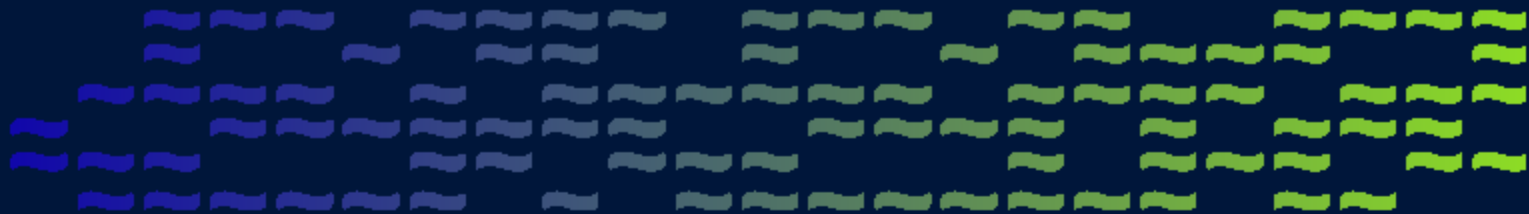

Saulius BINEVIČIUS
President of LTU Aquatics
